

Mathematics for Urban and Forest Fires

(organized by PT-MATHS-IN)

Mathematics on fire: Supporting practitioners decision-making (part 1)

Tiago Oliveira, Yannick Le Page

Agência para a Gestão Integrada de Fogos Rurais (AGIF)

tiago.oliveira@agif.pt; yannick.lepage@agif.pt

A general framework concerning the decisions on the ground associated to the Integrated Rural Fire Management System will be described.

Furthermore, some works carried out to support decisions on the ground, answering to specific problems of the Integrated Rural Fire Management System, will be presented.
